RAW

Raw is a decorative trend that bets on the selection of natural materials for interior design. A style that preserves the essence and appearance of materials in their natural state. Raw is a trend that comes ready to resignify spaces. Wood, cement, rust, neutral colors and soft reliefs are just a sample of what Raw can offer, in addition to incorporating a new floral decoration -Polan-, which presents a total of six graphics with continuity between them.

Raw es una tendencia decorativa que apuesta por la selección de materiales naturales para el diseño de interiores. Un estilo que preserva la esencia y el aspecto de los materiales en su estado natural. Raw es una corriente que llega dispuesta a resignificar los espacios. Madera, cemento, óxido, colores neutros y relieves suaves son solo una muestra de lo que Raw puede ofrecer, además de incorporar un nuevo decorado floral -Polan-, que presenta un total de seis gráficas con continuidad entre ellas.
