FOUR SEASONS

Season, from the Latin statio, is the name given to each of the four parts into which the year is divided. Each of the seasons has its symbolism, such as the purification of autumn, the stillness of winter, the rebirth of spring or the light of summer, and its own palette of colors, from intense reds to blues, from luminous greens to the yellows of the sunsets. The Four Season collection transmits these feelings through its own colors that combine with exotic marbles as decorations from the series.

Estación, del latín statio, es el nombre que recibe cada una de las cuatro partes en que se divide el año. Cada una de las estaciones tiene su simbolismo, como la depuración del otoño, la quietud del invierno, el renacer de la primavera o la luz del verano, y su paleta propia de colores, desde los rojos intensos a los azules, desde los verdes luminosos a los amarillos de los atardeceres. La colección Four Season transmite esos sentimientos a través de sus propios colores que combinan con mármoles exóticos a modo de decorados de la serie..
