REX 25X75

In soft tone or shiny, as boiserie or as part of a decorative set or an elegant mosaic, the Rex 25X75 collection was born as a marble concept taken to the degree of sophistication that we desire. This series, which also has borders and rosettes, is a compliment to good taste in bathrooms, living rooms or halls thanks to its two general tones and its endless possibilities and finishes in bright and elegant polishing. In its 25X75 cm format, this collection is as versatile as it is beautiful.

En tonos suaves o brillantes, como boiserie o siendo parte de un set decorativo o un mosaico elegante, la colección Rex 25X75 nace como concepto marmóreo llevado al grado de sofisticación que deseamos. Esta serie, que también cuenta con cenefas y rosetones, es un halago al buen gusto en baños, salas de estar o recibidores gracias a sus dos tonos generales y su sinfín de posibilidades y acabados en pulidos brillantes y elegantes. En su formato 25X75 cm esta colección es tan polivalente como bonita.
